Keywords

Turkish; Oral skills

Position of the course

The unit of study "Turkish: Oral skills" (U3MV) aims to practise different types of listening skills and the structuring and rendering of thoughts, so that the students can produce them adequately and fluently. Students are made aware of culture-specific aspects of oral language skills in Turkish and learn to use specific heuristic devices.

Contents

The course unit "Turkish: oral proficiency" (U3MV) is ordered thematically: every two lectures, there is a central topic or text genre. Turkish Proficiency focuses on correct use of language, both lexically and grammatically.

Initial competences

The learning outcomes of the different course units on Turkish of the second bachelor year.

Final competences

- 1 Having a command of Turkish at B2+ level of the Common European Framework of Reference for Languages for comprehension (listening and reading), oral skills (production and interaction) and writing skills, provided that the competences for Turkish: Translation or Turkish: Advanced Writing Skills have been acquired. [B.1.2.; assessed]
- 2 Applying knowledge and understanding of the cultural and institutional context of the Turkish language area and the intercultural relations and differences to the interpretation, translation and production of oral text. [B.1.5.; assessed]
- 3 Having knowledge and understanding of oral text production and oral translation processes. [B.1.6.; assessed]
- 4 Having a strong language awareness and developing a sensitivity to the similarities, differences and interactions between cultures. [B.3.1.; assessed]
- 5 Based on acquired competences, acting correctly and tactfully in different communicative situations, based on an understanding of similarities, differences and interactions between cultures. [B.5.2.; assessed]
- 6 Adequately interpreting, analysing, assessing and correcting oral communication, including messages of a specialised nature. [B.6.1.; assessed]
- 7 Editing oral texts independently in Turkish and assessing them critically, thereby justifying the text type appropriate to the purpose, target group and media. [B.6.2.; assessed]
