Vermeulen, Michel TW08 co-lecturer

Offered in the following programmes in 2018-2019

Bachelor of Science in Electromechanical Engineering 6 A

Teaching languages

Dutch

Keywords

project, teamwork, oral and written report

Position of the course

The project has the intention to put the students to work in small groups in order to solve a problem that is new for them and that requires skills from different earlier courses. Special attention is also devoted to communication skills (oral and written report) and to teamwork.

Contents

• Principles of Project Management: Principles of Project Management
• Project realization
• Reporting

Initial competences

As defined in the Curriculum Rules of the Faculty of Engineering and Architecture (http://www.ugent.be/ea/en/for-degree-students/your-studies-in-ghent/study-programme.htm), this course unit can only be taken as the last course unit in the bachelor's programme. This course unit builds on the learning outcomes of the previous course units of the bachelor's programme.
