## General Courses

The exchange programme contains a preferred list of English courses taught at UGent of the Master of Science in Mathematics. Most of the courses in the main programme are taught in Dutch; in such cases, English course material and guidance can sometimes be provided. Internships are not possible for incoming mathematics Erasmus students. Incoming students need to contact the departmental Erasmus coordinator (Prof. Leo Storme: leo.storme@ugent.be) before submitting their application to determine whether suitable courses for the learning agreement can be found.

### Tips for completing your Learning Agreement:

- Please check the [departmental rules](#) for incoming students.
- A minimum number of 20 ECTS per semester (or 40 ECTS per year) should be chosen from the mathematics programme.
- Short or long term (up to 1 year) research projects can be chosen. Students should have an agreement with a promoter at the faculty of Sciences (UGent) prior to sending their learning agreement, and include the letter of acceptance with their application.

### Teaching languages

When a course is not taught (solely) in the programme’s language of instruction, the effectively used languages are indicated in square brackets following the course name, using the following ISO codes:

- bg: Bulgarian
- de: German
- es: Spanish
- ja: Japanese
- pl: Polish
- sh: Croatian/Serbian
- zh: Chinese
- cs: Czech
- el: Greek
- fr: French
- it: Italian
- nl: Dutch
- no: Norwegian
- ru: Russian
- sv: Swedish

### Semester

Semesters are indicated by their number (1 or 2); semester 3 represents the summer period and J indicates a course spanning semesters 1 and 2. When a capital letter precedes a semester number, the course has multiple offerings. The letter indicates the offering concerned.

When a semester is shown in brackets, the course is not offered this year in the specific offering.

The offering frequency and first year of offering are indicated by the following codes:

- a: bi-annually
- b: tri-annually
- c: annually, from 2020-2021
- d: bi-annually, from 2020-2021
- e: tri-annually, from 2020-2021
- f: annually, from 2021-2022
- g: bi-annually, from 2021-2022
- h: tri-annually, from 2021-2022
- i: annually, from 2022-2023
- j: bi-annually, from 2022-2023
- k: tri-annually, from 2022-2023
