Extra information on the examination methods

Periodical evaluation (60%):
- exam at the end of the second semester. The exam consists of:
  - a written part (grammar, reading, listening and writing skills);
  - an oral part.
Non-periodical evaluation (40%);
- the student's progress is regularly monitored through interim tests, tasks and assignments. The monitoring is organised within 3 skills clusters: grammar, reading and listening / speaking / writing.
  - If the student has missed a written or oral assessment moment because of demonstrable, substantial reasons (e.g. illness), he/she will be offered the possibility of retake afterwards. If there were no demonstrable, substantial reasons, this possibility is excluded.

Calculation of the examination mark

Periodical evaluation: 60% (written exam: grammar 20%, reading skills 10%, listening skills 10%, oral exam: speaking skills 10%).
Non-periodical evaluation: 40% (grammar 12%, reading skills 7%, listening skills 7%, writing skills 7%, speaking skills 7%). The scores for permanent evaluation will be transferred to the second examination period.

The student must pass for each of the five components ((1) grammar (2) reading skills, (3) listening skills, (4) writing skills, (5) speaking skills), non-periodical and periodical evaluation combined.

If the student does not participate in the evaluation of one or more components or has less than 10/20 for one of the components, he / she cannot pass the entire course unit.

If the average final score is nevertheless a mark of ten or more out of twenty, this will be reduced to the highest insufficient mark (9/20).

2. Feedback can be given during an appointment during office hours
