### Teaching Languages

- Dutch, Afrikaans

### Keywords

- Afrikaans linguistics and Afrikaans literature, in a dialogue with other languages and literatures of South Africa; history, politics, society and culture

### Position of the Course

This course is part of the Master program Linguistics and Literature. Only students who have attended the introductory course Afrikaans: taal- en letterkunde can sign in for this mastercourse.

### Contents

Analyzes in the course are focused on the complicated linguistic landscape of South Africa and puts deepening attention to languages and literatures of South Africa (which stand in a dialogue with Afrikaans). Three lessons are dedicated to the linguistic situation, three to movements (e.g. canonized writers) in South African literature (Afrikaans and other languages). The Chairholder South Africa: languages, literatures, culture and society presents based on her/his expertise six seminars, respectively on Afrikaans languages and literatures (and relations with other languages in SA).

In the academic year 2019-2020 Prof. Louise Viljoen (Stellenbosch University) presents

(Approved)
guest lectures on Afrikaans literature.
