marketing, sponsorship, sports sponsorship, sports marketing

Position of the course

The objective of this course is to acquaint students with different aspects of sports marketing communications. Knowledge regarding sports, marketing and communications is necessary for students aspiring for a career in the sports management sector. Attention will be paid both to procuring and selecting sponsorship. A correct understanding of the interaction and synergy between the different instruments of sports marketing communications surrounding the sponsorship investment (hospitality, persbenadering, reclame, direct marketing en verkooppromotie) is crucial, as well as approaching the effectiveness of sports marketing communications.

Contents

- Sports, marketing and communication
- Sponsorship procurement
- Selecting sports sponsorship
- Sports sponsorship and public relations: hospitality and press approach
- Sports sponsorship and advertising
- Sports sponsorship and direct marketing
- Sports sponsorship and sales promotions
- The effect of sports sponsorship

Initial competences

Credits for: introduction in sports management

Final competences

- Define key concepts in sports marketing, sports sponsorship and communications.
- Be able to interpret current cases in sports marketing communications.
- Be able to draw the correct strategic conclusions for sports brands and non-sport brands.
- Have a profound insight in the interaction and synergy between the different instruments of the sports marketing communications mix.
- Be able to calculate to approach the ROI of a campaign of sports marketing communications.
