

## Bachelor of Arts in Applied Language Studies: a combination of at least two languages -- Dutch, German, Italian (v3)

Language of instruction Dutch

Valid as from the academic year 2020-2021

### AB71 General Courses

*As it is currently unclear whether the Belgian COVID 19 pandemic measures will allow for foreign mobility, students following the third bachelor's year in the academic year of 2020-2021 will follow an adapted 'corona programme'. This consists of: 1) the Bachelor's Essay (module 1.3.), 2) the 'Corona Module Dutch in Ba3' (module 1.4.) and 3) the 'Corona Module in Ba3' (module 2.4.).*

*If student mobility is possible, however, students will be able to go on a foreign exchange in the second semester: they will look for courses at the host institution that are as close as possible to the courses from module 2.4. that have been programmed in the semester in question.*

*Students who are not going on an exchange will be asked to follow up the guidelines that will be published by the end of August before they select the course session of those courses that are organized both in the first and the second semesters.*
