Teaching methods
Guided self-study, online lecture

Extra information on the teaching methods
• Online lectures.
• Self-reliant study activities: reading and assimilation of scientific literature.
• A pre-recorded lesson is made available online every week. These recordings include not only the extensive explanations by the teacher, but also a lot of illustration material, especially pictures, maps and video fragments.
• There will also be two interactive online lessons during which questions will be answered. The dates and exact times of these online lessons will be communicated via Ufora at the beginning of the academic year. If sanitary and practical conditions permit, these interactive online lessons may be replaced by a lesson on campus.

Learning materials and price
The pre-recorded lessons are made available via Ufora.
