Teaching languages
Dutch

Keywords
peer evaluation, feedback, differentiation, blended learning, didactic research skills, professional literature, intercultural communication

Position of the course
This course unit contributes to the realisation of the basic teaching competencies and the study programme competencies of Ghent University's Master of Science in Teaching, as set out in the study programme sheet and the competency matrix, which can be consulted on www.ugent.be/educatievemaster.

Contents

Initial competences
Students are expected to have sufficient discipline-specific knowledge before starting the course unit. The access requirements for the teaching methodologies are regulated. More information can be consulted via

(Draft -- caution, this is not the final version)
Final competences

Conditions for credit contract

Access to this course unit via a credit contract is determined after successful competences assessment

Conditions for exam contract

This course unit cannot be taken via an exam contract

Teaching methods

Microteaching, project, seminar, self-reliant study activities

Learning materials and price

Powerpoint presentations and background literature are available on Ufora.

References

Course content-related study coaching

Evaluation methods

continuous assessment

Examination methods in case of periodic evaluation during the first examination period

Examination methods in case of periodic evaluation during the second examination period

Examination methods in case of permanent evaluation

Participation, assignment, simulation

Possibilities of retake in case of permanent evaluation

examination during the second examination period is possible in modified form

Calculation of the examination mark

Students who do not participate in one or more parts of the evaluation, cannot pass for the course unit as a whole. Should the final mark be at least 8 out of 20, it will be reduced to the highest non-deliberating score (7/20 at most).

Facilities for Working Students

Students with working student status can discuss the facilities in dialogue with the lecturer-in-charge.
